**TEACHER OF SCIENCE** Full time

**MPS-UPS**

**Required for September 2023**

I am delighted to share this opportunity at Great Sankey High School, as we seek to recruit a talented, inspiring and aspirational professional to join our team.

I am proud to be the Headteacher of the school and my aim is to lead the Great Sankey learning community to be an employer of choice who provides excellent teaching and learning with passion and purpose. Our mission is for everyone in our school to be happy and inspired by their school experience and for our staff this means working in a warm, welcoming and purposeful environment. This position is key in helping us to empower students to harness their own creativity, to raise their aspirations and to achieve their potential.

Great Sankey High School was judged as 'Good' overall by Ofsted in September 2017. We aim to continue a journey of improvement and transformation and I am determined to provide an exceptional quality of education and culture for all students, with the ambition that all will excel both academically and as aspirational and inspirational young people. There is no better time to join us, as a colleague, a leader or a student.

Our philosophy is grounded equally in securing the highest professional standards and supporting and caring for all professionals. Great Sankey High School is a founder member of the Omega Multi- Academy Trust and all staff benefit from exceptional networks and opportunities. A broad and varied professional development package is available, driven by the latest educational research with a focus on the development of all professionals at each career stage. Colleagues who train with us, grow with us and progress with us. The school is situated close to local transport links and is easily accessible from areas in the North-West. Our School has been oversubscribed for a number of years and now boasts over 2100 students across Key Stages 3, 4 & 5. The

school has Barrow Hall College, a large school based sixth form. Students and staff are incredibly proud of their school and are determined to work together to secure further improvements and achievements.

Great Sankey High School benefits from increasingly impressive facilities and ongoing projects. The school has seen significant investment in a building and refurbishment programme, resulting in a range of new specialist science classrooms and new sports accommodation.

So, if you are eager to join a forward-thinking organisation committed to securing the highest educational, professional and personal standards, are keen to learn, develop and work with colleagues, students, parents and the community and are passionate about transforming student lives and the opportunities provided to our communities then we would be delighted to hear from you.

We seek someone who shares our vision and values and has the passion and commitment to promote a culture and ethos wherein all students are able to achieve and have their achievements recognised. We are looking for an inspirational teacher to be part of our successful Science department. The successful candidate will deliver high-quality teaching and will be a creative, motivational and effective classroom practitioner. You will raise attainment and progress through innovative and engaging teaching and will be an inspirational classroom teacher.

The successful candidate will be a passionate and hard working teacher who can offer:

- an innovative and creative flair
- the learner at the centre of their vision
- excellent classroom practice
- the ability to motivate, challenge and be challenged

We welcome applications from experienced teachers as well as from Early Career Teachers. We offer a full package of support through our induction process and CPD programme.

To request an application pack please visit our website. Application forms must be submitted to [recruitment@omegamat.co.uk](mailto:recruitment@omegamat.co.uk)

**Closing date:** Monday 27<sup>th</sup> March 2023

**Interview date:** TBC

The school is committed to the safeguarding of young people and candidates will be expected to adhere to these expectations. Appointment is subject to satisfactory pre-employment checks and enhanced DBS clearance.
